

Versatile modular design

- Simple cost effective installation
- Stackable 6 ft high rigid panels
- Turns and step-downs to accommodate the lay of the land
- Brackets and hardware for every situation
- Top / bottom / side welded post flanges
- Swing and slide gates available

Secure assembly

- Virtually unscalable.
- Heavy duty, gauge 6 welded wire panels.
- Stronger than woven wire which unravels when cut or damaged.
- Difficult to cut or remove panels
- Keep animals in
